Who are we?

A community doing good

Etsy is a global online marketplace, where people come together to make, sell, buy, and collect unique items. We're also a community pushing for positive change for small businesses, people, and the planet. Here are some of the ways we're making a positive impact, together.

Support independent creators

There's no Etsy warehouse - just millions of people selling the things they love. We make the whole process easy, helping you connect directly with makers to find something extraordinary.

Peace of mind

Your privacy is the highest priority of our dedicated team. And if you ever need assistance, we are always ready to step in for support.
